

— JUSTIN KOSTER

WEB DEVELOPER

👋 Hello, I'm Justin!

Freshly armed with a 3-year Bachelor of Creative Technologies from Open Window, I'm on the lookout for an exhilarating full-time position in the development realm. My journey has fueled not just a degree but an eagerness to dive into the exciting challenges that lie ahead.

🚀 Why consider me? I bring to the table an infectious enthusiasm for creative projects, coupled with the technical prowess gained during my academic journey. Your team stands to benefit from my unique blend of creativity and coding finesse.

🌐 As I chart my course into the future, I'm not just a developer; I'm a tech enthusiast ready to contribute to projects that push boundaries and spark innovation.

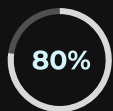

🚗 When I'm not immersed in lines of code, you'll find me fueling my passion for cars, gaming, and maintaining an eclectic collection of reptilian friends. These diverse interests mirror my adaptability and love for exploring new horizons.

Let's connect and explore how my skills and enthusiasm can elevate your team's projects to new heights!
